Re: Petition to revive unavoidably abandoned application

Dear Sir,

According to the decision made by the USPTO, the Petition to Withdraw the Holding of Abandonment for the above-identified application was dismissed. Applicants would like to file a Petition to revive the unavoidably abandoned application under 37 CFR § 1.137.

The Fee Transmittal together with the Credit Card Payment Form PTO-2038 for Issue Fee for the subject application was mailed to the USPTO via UPS on April 29, 2003 and received on time by the USPTO prior to the due date, May 12, 2003. Enclosed is a copy of the UPS delivery notification, indicating the parcel was delivered to the USPTO at 9:34 AM on April 30, 2003 and signed by Mr. Brown. However, the prepaid return postcard indicated that the parcel was not directed to the proper office until May 22, 2003. As a result, the issue fee was not charged on time.

We believe the delay of the parcel to the appropriate office was possibly due to the address change of the PTO during that period of time, which was between April and May. Since diligent effort was made to duly pay the issue fee, we hereby request to revive the unavoidably abandoned application.

Enclosed herewith please find the following documents for your reference:
